

**Junior Carp Fishing Tournament
Saturday, July 26, 2008
8 a.m. – 5 p.m.**

This tournament is one of a kind in the Greater Rochester area and features a non-traditional type of fishing – that is, non-traditional in the U.S.

Carp fishing is one of the most popular freshwater sport fishing events in Europe, and carp is making its way steadily into the hearts and minds of fishing folks in the States!

This event is designed to promote our Fairport / Perinton businesses and at the same time offer fun for kids.
